Limited review report on unaudited quarterly consolidated financial results of Aster DM Healthcare Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors of Aster DM Healthcare Limited

We have reviewed the accompanying statement of unaudited consolidated financial results of Aster DM Healthcare Limited, its subsidiaries (collectively referred to as 'the Group') and its associates as listed in Annexure 1 for the quarter ended 30 June 2018 attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 as reported in these consolidated financial results are the balancing figures between consolidated audited figures in respect of the full previous financial year and the unpublished year to date consolidated figures up to the end of the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these consolidated financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the consolidated financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

(i) We did not review the financial results of 16 subsidiaries included in the statement of unaudited consolidated financial results, whose unaudited financial results reflect total revenues of Rs 1,563.15 crore as at 30 June 2018 (Rs 1,425.87 crore after giving effect to consolidation adjustments) as well as total assets of Rs 10,448.48 crore (Rs 5,233.21 crore after giving effect to consolidation adjustments) for the quarter ended 30 June 2018. These unaudited financial results has been reviewed by other auditors whose reports have been furnished to us, and our opinion on the unaudited consolidated financial results, to the extent they have been derived from such unaudited financial results is based solely on the report of such other auditors.

a) Of the above, certain subsidiaries are located outside India whose financial results have been prepared in accordance with accounting principles generally accepted in their respective countries ('local GAAP'). The Company's management has converted the financial results of such subsidiaries from local GAAP to accounting principles generally accepted in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to the consolidated financial results under the generally accepted accounting principles in India. The reporting packages made for this purpose have been audited by the other auditors and the review reports of those other auditors have been furnished to us. Our opinion on the statement, in so far as it relates to the financial results of such subsidiaries is based on the review report of such other auditors.

Limited review report on Unaudited Quarterly Consolidated Financial Results of Aster DM Healthcare Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (continued)

- ii) We did not review the financial results of 31 subsidiaries included in the consolidated financial results, whose financial results reflect total revenues of Rs 83.38 crore as at 30 June 2018 (Rs 80.05 crore after giving effect to consolidation adjustments) as well as total assets of Rs 373.87 crore (Rs 292.17 crore after giving effect to consolidation adjustments) for the quarter ended 30 June 2018. The consolidated financial results also include the Group's share of net profit (and other comprehensive income) of Rs 4.62 crores for the quarter ended 30 June 2018 in respect of 4 associates, whose financial results have not been reviewed by us. These financial results are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates is based solely on such unaudited financial results. In our opinion and according to the information and explanations given to us by the Management, these financial results are not material to the Group.

Our conclusion is not modified in respect of the matters stated in (i) and (ii) above.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
