Independent Auditors' Report
To the Members of Malabar Institute of Medical Sciences Limited

Report on the Audit of the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Malabar Institute of Medical Sciences Limited ("the Company"), which comprise the balance sheet as at 31 March 2018, the statement of profit and loss, the statement of changes in equity, the statement of cash flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditors' responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, its profit and other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the said Order.

2. As required by Section 143 (3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the balance sheet, the statement of profit and loss, the cash flow statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account;

   d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the rules issued thereunder;

   e) on the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act;

   f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and

   g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      a. the Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements - Refer Note 29 to the standalone Ind AS financial statements;

      b. the Company did not have any long–term contracts including derivative contracts for which there were material foreseeable losses ; and

c. there has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company; and

d. the disclosures in the financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However amounts as appearing in the audited Standalone Ind AS financial statements for the period ended 31 March 2017 have been disclosed.

Malabar Institute of Medical Sciences Limited
Annexure - A to the Independent Auditors' Report

Annexure referred to in our report to the members of Malabar Institute of Medical Sciences Limited, ("the Company") on the standalone Ind AS financial statements for the year ended 31 March 2018, we report that:

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of 3 years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.

(ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.

(iii) The Company has not granted any loans secured or unsecured, to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Thus paragraph 3 (iii) (a) to (c) of the Order is not applicable.

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act, with respect to the investments made. Further, there are no loans, guarantees and security given in respect of which provisions of section 185 and 186 of the Act are applicable.

(v) The Company has not accepted any deposits from the public within the meaning the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.

(vi) We have broadly reviewed the books of account relating to materials, labour and other items of cost maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under section 148(1) of the Act and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues have been generally been regularly deposited during the year by the Company with the appropriate authorities except for delays in depositing amounts deducted / accrued in respect of goods and services tax with the appropriate authorities with the delays ranging from 1 to 65 days.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, value added tax, duty of customs, service tax, goods and services tax, cess and other material statutory dues were in arrears as at 31 March 2018 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no material dues of sales tax, customs duty, service tax, value added tax, goods and services tax and cess which have not been deposited with the appropriate authorities on account of any dispute. According to the information and explanations given to us, the following dues of income tax have not been deposited on account of dispute.

Name of the statute	Nature of dues	Amount (in Rs.)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income tax	Rs. 2,973,758	AY 2002-03	The Commissioner of Income Tax (Appeals) Calicut
Income Tax Act, 1961	Income tax	Rs. 3,645,657	AY 2003-04	The Commissioner of Income Tax (Appeals) Calicut
Income Tax Act, 1961	Income tax	Rs. 183,632	AY 2004-05	The Commissioner of Income Tax (Appeals) Calicut
Income Tax Act, 1961	Income tax, interest and penalty	Rs. 11,781,469 (Rs. 10,361,666)*	AY 2005-06	The Commissioner of Income Tax (Appeals) Calicut
Income Tax Act, 1961	Income tax	Rs. 2,378,693 (Rs. 2,066,999)*	AY 2006-07	The Commissioner of Income Tax (Appeals) Calicut
Income Tax Act, 1961	Income tax and interest	Rs. 3,535,104 (Rs. 2,464,110)*	AY 2008-09	The Commissioner of Income Tax (Appeals) Calicut
Income Tax Act, 1961	Income tax	Rs. 9,053,270 (Rs. 1,811,000)*	AY 2012-13	The Commissioner of Income Tax (Appeals) Calicut

* The amount represents the payment made under protest

(viii) The Company has not defaulted in the repayment of loans or borrowings from any banks. According to the information and explanations given to us, the Company did not have any loans or borrowings from government or debenture holders during the year.

(ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments). According to the information and explanations given to us, the term loans taken by the company have been applied for the purposes for which they were raised.

(x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

(xi) According to the information and explanations given to us and based on examination of the records of the Company, the Company has paid/ provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Thus, paragraph 3(xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with the Sections 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the financial statements as required by applicable accounting standards.

(xiv) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

(xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him.

(xvi) According to the information and explanation given to us and in our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Malabar Institute of Medical Sciences Limited

Annexure B to the Independent Auditors' Report

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Malabar Institute of Medical Sciences Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of internal financial controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2018, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditors' Report
To the Members of Malabar Institute of Medical Sciences Limited

Report on the Audit of the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Malabar Institute of Medical Sciences Limited ("the Company"), which comprise the balance sheet as at 31 March 2018, the statement of profit and loss, the statement of changes in equity, the statement of cash flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditors' responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

DRAFT

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, its profit and other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the said Order.

2. As required by Section 143 (3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the balance sheet, the statement of profit and loss, the cash flow statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account;

   d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the rules issued thereunder;

   e) on the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act;

   f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and

   g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      a. the Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements - Refer Note 29 to the standalone Ind AS financial statements;

      b. the Company did not have any long–term contracts including derivative contracts for which there were material foreseeable losses ; and

DRAFT

c. there has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company; and

d. the disclosures in the financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However amounts as appearing in the audited Standalone Ind AS financial statements for the period ended 31 March 2017 have been disclosed.

DRAFT

Malabar Institute of Medical Sciences Limited
Annexure - A to the Independent Auditors' Report

Annexure referred to in our report to the members of Malabar Institute of Medical Sciences Limited, ("the Company") on the standalone Ind AS financial statements for the year ended 31 March 2018, we report that:

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of 3 years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.

(ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.

(iii) The Company has not granted any loans secured or unsecured, to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Thus paragraph 3 (iii) (a) to (c) of the Order is not applicable.

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act, with respect to the investments made. Further, there are no loans, guarantees and security given in respect of which provisions of section 185 and 186 of the Act are applicable.

(v) The Company has not accepted any deposits from the public within the meaning the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.

(vi) We have broadly reviewed the books of account relating to materials, labour and other items of cost maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under section 148(1) of the Act and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues have been generally been regularly deposited during the year by the Company with the appropriate authorities except for delays in depositing amounts deducted / accrued in respect of goods and services tax with the appropriate authorities with the delays ranging from 1 to 65 days.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, value added tax, duty of customs, service tax, goods and services tax, cess and other material statutory dues were in arrears as at 31 March 2018 for a period of more than six months from the date they became payable.

DRAFT

(b) According to the information and explanations given to us, there are no material dues of sales tax, customs duty, service tax, value added tax, goods and services tax and cess which have not been deposited with the appropriate authorities on account of any dispute. According to the information and explanations given to us, the following dues of income tax have not been deposited on account of dispute.

Name of the statute	Nature of dues	Amount (in Rs.)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income tax	Rs. 2,973,758	AY 2002-03	The Commissioner of Income Tax (Appeals) Calicut
Income Tax Act, 1961	Income tax	Rs. 3,645,657	AY 2003-04	The Commissioner of Income Tax (Appeals) Calicut

DRAFT

Malabar Institute of Medical Sciences Limited

Annexure B to the Independent Auditors' Report

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Malabar Institute of Medical Sciences Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

DRAFT

Meaning of internal financial controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2018, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Company overview

Malabar Institute of Medical Sciences Limited ('the Company') was incorporated on 17 February 1995 as a limited company. The registered office of the Company is located at Mini Bypass Road, Govindapuram, Calicut, Kerala. The Company is primarily engaged in the business of rendering healthcare services. The immediate holding company is Aster DM healthcare Limited, India and the ultimate parent company is Union Investments Private Limited, Mauritius.

2. Basis of preparation

A. Statement of compliance

These standalone financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013 (the 'Act'), as amended and other relevant provisions of the Act.

The standalone financial statements were authorized for issue by the Company's Board of Directors on 14 May 2018.

Details of the Company's accounting policies are included in Note 3.

B. Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts are presented in Indian Rupees in millions, except share data, unless otherwise stated.

C. Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

D. Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

There are no significant judgement made in applying accounting policies that have the most material effects on the amounts recognised in the financial statements.

2. Basis of preparation (continued)

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2018 is included in the following notes:

Note 4 and 5 - measurement of useful life and residual value of property, plant and equipment and intangible assets;

Note 36C - Measurement of defined benefit obligations: key actuarial assumptions;

Note 28 – recognition of deferred tax asset: availability of future taxable profit against which tax losses carried forward can be used;

Note 29 - Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of outflow of resources;

Note 35B - recognition of allowance for credit losses on financial assets;

E. Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. Significant valuation issues are reported to the Company's audit committee.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values is included in the following notes:

Note 35 - Financial instruments.

F. Recent Accounting Pronouncements

Ind AS 115, Revenue from Contract with Customers

On 28 March 2018, the MCA notified the Ind AS 115. The core principle of the new standard is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further, the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

2. Basis of preparation (continued)

The standard permits two methods of transition:

- Retrospective approach – Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors.
- Retrospectively with cumulative effect of initially applying the standard recognised at the date of initial application (Cumulative catch up approach).

The effective date for adoption of Ind AS 115 is financial period beginning on or after 1 April 2018.

The company will adopt the standard on 1 April 2018 by using cumulative catch up transition method and accordingly, comparatives for the year ending or ended 31 March 2018 will not be retrospectively adjusted. The effect of adoption of Ind AS 115 is expected to be insignificant.

3. Significant accounting policies

3.1 Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises of its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Advances paid towards the acquisition of fixed assets, outstanding at each balance sheet date are shown under long-term loans and advances. The cost of fixed assets not ready for its intended use at each balance sheet date are disclosed as capital work-in-progress.

ii. Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is generally recognised in the statement of profit and loss. Leasehold improvements are amortized over the lease term or useful lives of assets, whichever is lower. Freehold land is not depreciated.

3.1 Property, plant and equipment *(continued)*

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Class of assets	Useful life
Buildings	3-60
Plant and machinery	15
Medical equipment*	10-13
Motor vehicles	8
Computer equipment	3
Furniture and fittings	5-10
Electrical fixtures	10

* For the above mentioned classes of assets, the Company believes that the useful lives as given above best represent the useful lives of these assets based on internal assessment and supported by technical advice, where necessary, which is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Change in estimated useful life: With effect from 1 April 2017, based on the technical evaluation, the Company has revised the estimated useful lives of certain categories of property, plant and equipment. The change in accounting estimate is applied prospectively in accordance with Ind AS 8, 'Accounting policies, changes in accounting estimates and errors' and has an impact on the depreciation expense. The financial impact due to the change in the estimate is disclosed in Note 4. Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

3.2 Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use and is included in depreciation and amortization in statement of profit and loss.

The estimated useful lives are as follows:

Class of assets	Revised useful life
Software	6

Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate. Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in profit or loss as incurred.

3.3 Inventories

Inventories are measured at the lower of cost and net realizable value. The cost of inventories comprises purchase price, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. The Company uses the weighted average method to determine the cost of inventory consisting of medicines and medical consumables. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. The comparison of cost and net realizable values is made on an item-by-item basis.

3.4 Financial instruments

i. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.
A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets
On initial recognition, a financial asset is classified as measured at either at amortised cost, FVTPL or fair value in other comprehensive income (FVOCI).
Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment’s fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at investment level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for each of such investments and the operation of those policies in practice.

3.4 Financial instruments *(continued)*

- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

3.4 Financial instruments *(continued)*

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

3.5 Impairment

i. Impairment of financial instruments

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost.

At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off.

3.5 Impairment *(continued)*

ii. Impairment of non- financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.6 Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Post-employment benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

3.6 Employee benefits *(continued)*

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets, if any.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Other long term employee benefits - Compensated absences

The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

3.7 Provisions (other than employee benefits)

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognizes any impairment loss on the assets associated with that contract.

3.8 Revenue

Revenue from medical and healthcare services to patients is recognised as revenue when the related services are rendered unless significant future uncertainties exist. Revenue is also recognised in relation to the services rendered to the patients who are undergoing treatment/ observation on the balance sheet date to the extent of services rendered.

Revenue is recognised net of discounts given to the patients.

Revenue from sale of medical consumables and drugs within the hospital premises is recognised when property in the goods or all significant risks and rewards of their ownership are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection.

Revenue from sale of pharmaceutical products within hospital premises is recognised on sale of medical products. The amount of revenue recognised is net of trade discounts and sales returns and exclusive of sales tax.

'Unbilled revenue' represents value to the extent of medical and healthcare services rendered to the patients who are undergoing treatment/ observation on the balance sheet date and is not billed as at the balance sheet date.

Income from services rendered is recognised based on agreements / arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

3.9 Foreign currency transactions

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in profit or loss.

3.10 Leases

i. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values.

ii. Assets held under leases

Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Balance Sheet.

iii. Lease payments

Payments made under operating leases are generally recognised in profit or loss on a straight- line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognised as an integral part of the total lease expense over the term of the lease.

3.11 Recognition of dividend income, interest income or interest expense

Dividend income is recognised in profit or loss on the date on which the right to receive payment is established.

Interest income or expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset or the amortized cost of the financial liability. In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortized cost of the liability.

3.12 Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets - unrecognized or recognized, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

3.13 Borrowing cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

3.14 Earnings per share

The basic earnings per share ('EPS') is computed by dividing the net profit after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless issued at a later date. In computing dilutive earning per share, only potential equity shares that are dilutive i.e. which reduces earnings per share or increases loss per share are included.

3.15 Cash-flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

At the end of the year	**90,829,497**	**908.29**	**90,829,497**	**908.29**

The Company has a single class of equity shares. All equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to shareholders' share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

Income tax for earlier years	-	16.44
Income tax expense	79.23	61.73
Effective tax rate	38.55%	34.68%

(All amounts in Indian rupees million)

29 Contingent liabilities and commitments

Particulars	As at 31 March 2018	As at 31 March 2017
Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for	258.29	4.85
Claims against the Company not acknowledge as debt - Customer/ patient claims	33.37	34.33
Disputed income tax demand pending before assessing authorities (Refer notes (a) below)	7.24	-
Disputed provident fund demand pending before appellate authorities (Refer note (b) below)	8.84	8.84
Bank guarantee	1.45	1.65
Employee bonus (Refer note (c) below)	16.13	16.13

a) The Company has received an income tax demand for the assessment year 2012-13 wherein demand of Rs. 9.05 million has been raised against the Company on account of certain disallowances, adjustments made by the income tax department. The Company has paid Rs. 1.81 million under protest against the demand. Management believes that the position taken by it on the matter is tenable and hence, no adjustment has been made to the financial statements. The Company has filed an appeal against the demands received.

b) The Company has received demand from the provident fund authorities wherein demand of Rs. 8.84 million has been raised against the Company on account of provident fund contribution in respect of certain trainees employed by the Company. Management believes that the position taken by it on the matter is tenable and hence, no adjustment has been made to the financial statements. The Company has filed an appeal against the demands received.

c) Employee bonus refers to amount payable to employees as per Payment of Bonus (Amendment) Act 2015 vis-à-vis retrospective application from 1 April 2014 to 31 March 2015. Company has relied on stay petition granted by the Honorable High Court of Kerala and Honorable High Court Madras against retrospective application of Payment of Bonus (Amendment) Act 2015 from 1 April 2014. Pending disposal of the case, no provision has been made in the books of accounts. The Company has obtained an independent legal opinion in support of this.

d) In the past, the Company made certain allotment of shares in violation of provisions of section 67(3) of the Companies Act, 1956. Pursuant to a press release dated November 30, 2015 and circular no. CIR/CFD/DIL3/18/2015 dated December 31, 2015 (the press release and the circular, the "SEBI Circular"), the SEBI provided an opportunity to companies to avoid penal action in case of such violations subject to fulfillment of certain conditions. The Company had compounded the offence based on the order received from National Company Law Tribunal. On 16 November 2017, the Company received a fresh notice from SEBI on the matter. Based on a legal advice obtained, the Company filed a ‘settlement application’ with the SEBI, the outcome of which is awaited.

30 Earnings per share

A. Basic earnings per share

The calculation of profit attributable to equity share holders and weighted average number of equity shares outstanding for the purpose of basic earnings per share calculaitons are as follows:

i) Net profit attributable to equity share holders

Particulars	Year ended 31 March 2018	Year ended 31 March 2017
Net profit for the year, attributable to the equity share holders	126.30	99.83

ii) Weighted average number of equity shares

Particulars	Year ended 31 March 2018	Year ended 31 March 2017
Opening balance (Refer note 13)	90,829,497	90,829,497
Weighted average number of equity shares of Rs. 10 each for the year	90,829,497	90,829,497
Earnings per share, basic	1.39	1.10

Net profit for the year, attributable to the equity share holders	126.30	99.83

ii) Weighted average number of equity shares

Particulars	Year ended 31 March 2018	Year ended 31 March 2017
Weighted average number of equity shares of Rs. 10 each for the year (basic)	90,829,497	90,829,497
Effect of dilutive shares	-	-
Earnings per share, diluted	1.39	1.10

31 Auditors' remuneration (included under legal and professional charges, net of service tax)

Particulars	Year ended 31 March 2018	Year ended 31 March 2017
Statutory audit	0.73	0.66
Total	0.73	0.66

32 Operating leases

Assets taken on operating lease

The Company has taken hospital/office premises on operating lease arrangements that are renewable on mutually agreeable terms. All these leases are cancellable in nature. The total lease payments in respect of such leases recognised in the statement of profit and loss for the year Rs 29.13 (31 March 2017: Rs 30.66).

Assets given on operating lease

The Company has given space in Calicut hospital premises under cancellable operating lease arrangements that are renewable on mutually agreeable terms. All these leases are cancellable in nature. The total lease income received / receivable in respect of the above leases recognised in the statement of profit and loss for the year is Rs 35.62 (31 March 2017: Rs 36.65).

33 Segmental reporting

Ind AS 108 “Operating Segment” (“Ind AS 108”) establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. Based on the "management approach" as defined in Ind AS 108, Operating segments are to be reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM).The CODM evaluates the Company's performance and allocates resources on overall basis. The Company’s sole operating segment is therefore ‘Medical and Healthcare Services’. Accordingly, there are no additional disclosure to be provided under Ind AS 108, other than those already provided in the financial statements.

Other financial liabilities	15	203.85	203.85
		1,289.05	**1,289.05**

*The Company has not disclosed the fair values for financial instruments such as cash and cash equivalents, trade receivables,trade payables etc, because their carrying amounts are a resonable approximation of fair value.

Fair value

The fair value of cash and cash equivalents, trade receivables, other receivables, unbilled revenues, trade payables, current financial liabilities and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. A substantial portion of the Company's long-term debt has been contracted at floating rates of interest, which are reset at short intervals. Accordingly, the carrying value of such long-term debt approximates fair value.

(All amounts in Indian rupees million)

35 Financial Instruments (continued)

B Financial risk management

The Company's activities expose it to a variety of financial risks: credit risk, market risk, interest risk and liquidity risk.

a) Risk management framework

The Company’s board of directors has overall responsibility for the establishment and oversight of the risk management framework.
The Company’s board of directors oversee how management monitors compliance with the risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit and risk management committee.

b) Credit risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and financial institutions and other financial instruments.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.
The Company establishes an allowance for credit loss that represents its estimate of expected losses in respect of trade and other receivables based on the past and the recent collection trend.The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to 313.62 million (31 March 2017: 227.06 million). The movement in allowance for credit loss in respect of trade and other receivables during the year was as follows:

Allowance for credit loss	**As at 31 March 2018**	**As at 31 March 2017**
Balance at the beginning	10.09	8.79
Impairment loss recognised	3.50	1.30
Balance at the end	13.59	10.09

No single customer accounted for more than 10% of the revenue as of 31 March 2018 and 31 March 2017. There is no significant concentration of credit risk.

Credit risk on cash and cash equivalent is limited as the Company generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

c) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The table below provides details regarding the contractual maturities of significant financial liabilities as of 31 March 2018

Particulars	**Less than 1 year**	**1-2 years**	**3-5 years**	**More than 5 years**	**Total**
Trade payables	247.76	-	-	-	247.76
Borrowings	191.63	39.22	76.12	644.87	951.84
Other financial liabilities	263.02	-	-	-	263.02

(All amounts in Indian rupees million)

The table below provides details regarding the contractual maturities of significant financial liabilities as of 31 March 2017:

Particulars	Less than 1 year	1-2 years	3-5 years	More than 5 years	Total
Trade payables	197.10	-	-	-	197.10
Borrowings	162.73	85.37	125.98	514.02	888.10
Other financial liabilities	162.05	-	-	-	162.05

d) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices, such as foreign exchange rates, interest rates and equity prices.

e) Cash flow and fair value interest rate risk

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. The interest rate on the Company's financial instruments is based on market rates. The Company monitors the movement in interest rates on an ongoing basis.

i) Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Financial liabilities (bank borrowings)	As at 31 March 2018	As at 31 March 2017
Variable rate long term borrowings including current maturities	900.63	843.18
Total	**900.63**	**843.18**

Sensitivity

Particulars	Impact on profit or loss		Impact on other equity	
	As at 31 March 2018	As at 31 March 2017	As at 31 March 2018	As at 31 March 2017
Sensitivity				
1% increase in rate	9.01	8.43	9.01	8.43
1% decrease in rate	(9.01)	(8.43)	(9.01)	(8.43)

The interest rate sensitivity is based on the closing balance of secured term loans from banks.

36 Gratuity plan

The following tables set out the status of the gratuity plan as required under Accounting Standard-15.

A Reconcilation of present value of defined benefit

Particulars	Year ended 31 March 2018	Year ended 31 March 2017
Balance at beginning of the year	39.24	35.85
Benefit paid	(3.98)	(3.92)
Current service cost	10.13	4.95
Interest cost	2.88	1.64
Actuarial (gain)/ loss recognised in other comprehensive income	-	-
- changes in demographic assumptions	-	-
- changes in financial assumptions	(4.06)	(1.33)
- experience adjustments	0.61	2.05
Balance at the end of the year	44.82	39.24
Plan assets at the end of the year	-	-
Net defined benefit (liability)	**44.82**	**39.24**

B (i) Expenses recognised in statement of profit and loss

Service cost	10.13	4.95
Interest cost	2.88	1.64
Net gratuity cost	**13.01**	**6.59**

(ii) Remeasurements recognised in other comprehensive income

Acturial (gain) loss on defined benefit obligation	2.26	(0.50)
	2.26	**(0.50)**

C Defined benefit obligation

(i) Assumptions used to determine benefit obligations:

Principal acturial assumptions at the reporting date (expressed as weighted average)

Particulars	**31 March 2018**	**31 March 2017**
Discount rate	7.50%	6.80%
Future salary growth	4.50%	5.00%
Weighted average duration of defined benefit obligaiton	7	7
Attrition rate	Below 35 years : 35% p.a 35 yrs & above : 3% p.a.	Below 35 years : 35% p.a 35 yrs & above : 3% p.a.

The Company assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The discount rate is based on the government securities yield.
Gratuity is applicable only to employees drawing a salary in Indian rupees and there are no other foreign defined benefit gratuity plan.

(ii) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the acturial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below

Particulars	**31 March 2018**		**31 March 2017**	
	Increase	**Decrease**	**Increase**	**Decrease**
Discount rate (1% movement)	2.90	3.32	2.97	3.42
Future salary growth (1% movement)	3.39	3.01	3.45	3.04
Withdrawal rate (1% movement)	0.47	0.55	0.21	0.26

Although the analysis does not take account of the full distribution of the cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumption shown.

(All amounts in Indian rupees million)

37 Capital management

The Company's policy is to maintain a stable capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors capital on the basis of return on capital employed as well as the debt to total equity ratio.

For the purpose of debt to total equity ratio, debt considered is long-term and short-term borrowings. Total equity comprise of issued share capital and all other equity reserves.

The capital structure as of 31 March 2018 and 31 March 2017,was as follows:

Particulars	**As at 31 March 2018**	**As at 31 March 2017**
Total equity attributable to the equity shareholders of the Company	**3,745.22**	**3,681.67**
As a percentage of total capital	80%	81%
Long-term borrowings including current maturities	900.63	843.18
Short-term borrowings	51.21	44.92
Total borrowings	**951.84**	**888.10**
As a percentage of total capital	20%	19%
Total capital (Equity and Borrowings)	**4,697.06**	**4,569.77**

38 Donation to political parties

Particulars	**Year ended 31 March 2018**	**Year ended 31 March 2017**
Communist Party of India (M)	0.23	1.03
Indian National Congress	0.04	0.32
Janatha Dal	0.01	0.04
Bharathiya Janatha Party	0.50	3.27
Indian Union Muslim League	-	0.13
Others	0.04	0.75
Total	**0.82**	**5.54**

39 Transfer Pricing

The company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for the international transactions entered into with associated enterprises during the financial period and expects such records to be existence latest by the date of filing its income tax return as required by the law. The management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

40 Disclosure on Specified Bank Notes (SBNs)

During the previous year, the Company had specified bank notes or other denomination note as defined in the MCA notification G.S.R. 308(E) dated 31 March 2017 on the details of Specified Bank Notes (SBN) held and transacted during the period from 8 November 2016 to 30 December 2016, the denomination wise SBNs and other notes as per the notification is given below:
